TONIGHT,
I FELL
IN LOVE.

DO YOU
WANT TO
JOIN US
FOR DRINKS,
NARUHI-
SAN?

and the
strange twist
of fate that
brought us to-
gether.

That
strange
deck of
cards,

a reading
I never
asked for,

the
Paysafit,
the
sound
of the
bells,

the
coun-
cil of
people,

the floor
mask,

Now that
I think back
on that night,
I realize it was
truly beyond
all reason and com-
prehension.

*Would
they laugh
at me if I
were to
say that?*

*For those few
minutes, we
were lovers.*

*We had
been lovers
long before
I ever came
to know her
name.*

*The story of
our earnest
and per-
verse love.*

*Let me
tell you the
story of
our love.*
